Mr. Gilgallon,

We cannot understand why we  
hear from you, it is one month since I  
spoke to you on the phone, you arranged to meet  
on Thursday 17<sup>th</sup> December 1970.  
I was told on the 16<sup>th</sup> Dec. by the parent of Busby  
Primary School that you could not manage to  
come.

Try to be patient, knowing you must be  
busy, but this has happened before and all  
the Committee are agreed that on the  
next appointment you had to visit me  
did not come.

It was the time when you went to N<sup>o</sup> 50  
Hathorn Road instead of N<sup>o</sup> 30.

We all feel however that since you had  
Livingston's phone number and that  
you could have asked somebody in the area  
where I live, you made no attempt  
to contact us, it does look as if we are  
far out area of Renfrewshire.

Boys are always coming to my door  
asking if there is any word from you.

a letter from Mr. Steele, he told me  
ad to contact you in the first instance.

in sure you realize it is very difficult  
using boys without a meeting place.  
have visited the Scottish Daily Express  
so recently and it was a lot of extra work  
of sound all the boy houses finding out  
the names for the visit.

Colleague (M. FITKEN) has found a young  
man who lives in East Kilbride and holds  
general certificate on coaching.  
name is JAMES MURRAY and he is willing  
help us on a Wednesday evening.

My colleagues on the Committee wish  
be associated with the sentiments expressed  
this letter, we are all old enough to know  
it would be illness shortage of staff etc.

keep informed.
